LYRICS

1,2,3—Sing With Me!

1. The Noble Duke of York

Oh, the Noble Duke of York
He had ten thousand men
He marched them up to the top of the hill
And he marched them down again

Oh, and when you're up you're up
And when you're down you're down
And when you're only half way up
You're neither up nor down

Oh, you lean them to the left
You lean them to the right
And when you turn them upside down—
Oh, what a funny sight!

I see the moon, the moon sees me
The moon sees the one that I want to see

When I awoke, dear, I was mistaken

You make me happy when skies are gray
You'll never know, dear, how much I love you
Please don't take my sunshine away!

Sleep, my child, and peace attend thee all through the night

While the moon her watch is keeping, all through the night
While the weary world is sleeping, all through the night
O'er thy spirit gently stealing visions of delight revealing
Breathes a pure and holy feeling all through the night
